

about us

Volunteer Drivers

Drive our cars and help others!

For more than 25 years, we have worked to improve the quality of life for our clients by providing transportation solutions.

During last year alone, we managed more than half-a-million passenger trips, saving more than 10,000 gallons of gasoline a day, while providing convenient and reliable mobility throughout the state's most densely populated counties.

In addition to our new FLEX-T Mobility Partner, we manage the state's largest Carpool, Vanpool and Shuttle services for the corporate community and its employees, municipalities, universities and area colleges.

Our shuttles are equipped with GPS, Mobile Data Terminals and in-vehicle cameras to ensure safe, convenient travel every day of the year.

EZ Ride also offers bicycle and pedestrian services, car sharing, and transportation services for older adults and people with reduced mobility using a team of volunteer drivers.

With our cars and your driving, you can make a difference

Let's face it, you've been lucky in life. Not everyone has been.

All around us are neighbors who would love to have opportunities that we take for granted. Many are not able to drive, have a disability or can't access public transportation.

You can offer a vital link that allows them to get back and forth to work, visit a relative or doctor, even do their grocery shopping. And we make it an EZ Ride by providing the cars, gas and insurance.

Join our Volunteer Drivers Network

Make a difference in people's lives by volunteering to drive. Your driving helps to make transportation affordable and keeps fares to a minimum.

Volunteer requirements

For the safety of riders and drivers alike, you must:

- Be at least 21 years old*
- Have a current New Jersey driver's license
- Have a clean driving record for at least three years and no criminal record
- Be reliable, punctual and have good interpersonal skills
- Agree to an interview and background check

Volunteer benefits

Our volunteers report a sense of reward that comes with helping others. In addition, they also receive:

- Volunteers can accumulate or "bank" a ride for every 4-hour shift they work. Rides can be saved or transferred to others but must be used within the calendar year they are awarded.
- Driver Safety Course.
