New Jersey Office of Emergency Management

Monday Morning Weather Update

Here's what you need to know about the Nor'easter. A Coastal Flood Warning is posted from Atlantic to Middlesex Counties from 2 PM to 11 PM today. A Coastal Flood Advisory is posted for all coastal counties until 2 PM and for southern coastal counties until 10 PM. A Flood Watch is effective for central and northern counties from this afternoon through late tonight. A High Wind Warning is effective for coastal areas until 4 PM. A Winter Weather Advisory is posted for NW NJ.

Impacts to New Jersey

Minor to moderate flooding is possible with the PM high tide. High winds may cause power outages and debris on roadways, and rain may limit visibility on roads. Localized flooding is possible in areas with poor drainage and low-lying and urban areas. Winds may reach 20-40 mph statewide with higher gusts. Rainfall may range 1-3" **with higher local amounts. Some** snow and ice may accumulate in Sussex and Western Passaic Counties.

Always know the latest weather information for your area! For those living in Central and Southern New Jersey visit <http://www.weather.gov/phi/>. For those living in Northern New Jersey and the New York Metro area visit <http://www.weather.gov/okx/>.

High winds can cause a power outage. Know what to do before, during, and after at <https://www.ready.gov/power-outages>.
