Adam Hubeny, Business Administrator
Atlantic Highlands Borough
100 First Ave.
Atlantic Highlands, NJ 07716

Dear Mr. Hubeny,

Habitat for Humanity in Monmouth County has been awarded a grant from the ***Hurricane Sandy New Jersey Relief Fund*** to assist low and moderate income homeowners with the purchase of furniture, appliances and building materials at the Habitat ReStore in Freehold. The Relief Fund's grant also allows us to provide eligible storm-impacted families with vouchers of up to \$1,000. These vouchers subsidize the cost of purchases made at the ReStore and will ultimately help bring Monmouth County families a step closer to returning home.

Visitors to the ReStore have remarked about the impressive quality and value of the merchandise offered and our organization continues to spread the word about this valuable resource.

We are asking you to join us in informing the residents of Atlantic Highlands of the Habitat ReStore Voucher Program by posting on social media, your offices' digital channels or any other means available to you as Business Administrator.

Enclosed is a flyer with information about the program and our organization's contact information.

We would like to serve as many families as possible, and thank you in advance for your assistance and leadership.

Very truly yours,

Laura Lella-Smith
Director of Operations
