

Meeting Minutes  
Green Team  
August 17th 2010

Present: Jennifer Marston, Adam Hubeny, Helen Marchetti, Gail Woods

The following agenda items were discussed /reported:

1. Each member discussed current activities of the committees/groups they represent
2. The Green Team directive was discussed and will be finalized at the next meeting. We developed a preliminary directive which each member will review for changes and suggestions.  
To provide a holistic and coordinated approach to sustainable living for our residents. To recognize our accomplishments and identify challenges, and to provide direction to the various town organizations which we represent. To provide education and opportunity that will lead to a robust economy, a healthy environment, and comfortable, sustainable way of life for our residents.
3. Sustainable Jersey Action Items  
Our achievements were discussed, as well as the need for specific pieces of documentation. It was commented, that there are many sustainable actions our community undertakes, but that there is no direct mapping to SJ action items. Marston noted that there is an “other” category, but it is only eligible for 10 points, and we have many initiative that should apply, specifically, storm water management and the Clean Marina act
  - a. Gail Woods will research the school to see if there are any actions that we missed. Adam Hubeny will provide the tonnage report for he recycling center, clean marina with anti idle ordinance. Jim Krauss will review the environmental commission’s submittals and provide an annual accomplishment report. Helen Marchetti will provide the Clean Marina certificate. All information will be emailed to Jennifer Marston who will update the SJ site appropriately.
4. Grant opportunities were discussed, and Adam will forward all applicable information to the entire team. The team will review the grant application process in an effort to identify those grants that we are more likely to be awarded and to lessen the amount of time spent chasing false opportunities.
5. The next meeting was scheduled for Tuesday, December 7th at 7pm
6. Close
