

The goal of the Special Needs Registry is to ensure all Monmouth County residents who have Special Needs are able to get the help and support they need in a time of emergency or during interaction with Law Enforcement, Fire or EMS personnel.

The Monmouth County Special Needs Registry is a joint collaboration between the Monmouth County Prosecutor's Office, the Monmouth County Sheriff's Office and the Monmouth County Police Chiefs Association.

Each registrant will be provided with 2 different sized window decals that can be placed on the front entrance of the registrant's residence as well as on the window of any vehicle in which they regularly travel. The presence of the SNR decal signifies to first responders that someone in the residence/vehicle has some degree of special need and that they should respond accordingly. The use of the decals is voluntary.
